Newport Yacht Club Stoney Creek,
711 North Service Road,
Stoney Creek ON. L8E 4Z5

To the Commodore, Officers and Members:

On behalf of the Officers, Directors and Members of the Newport Yacht Club – Stoney Creek, we would like to extend an invitation of reciprocal privileges to your members in the 2024 boating season.

Details about the approach to Newport can be found in the Lake Ontario Ports Cruising Guide. We have our own dredging machine and maintain our channel to a minimum of 6 ft. We have a fully protected harbor with direct lake access. All docks offer 30 Amp shore power and potable water. We have a small but very cozy clubhouse, all set in a friendly residential community.

Our facilities include washrooms with showers, laundry facilities, large tented deck, barbecues, picnic tables, ice, pump-out and pay phone. Several good restaurants are within walking distance. In an adjoining park, there is a children's playground splash pad, tennis courts and a baseball diamond.

Our policy at Newport is to offer free docking for two nights for visiting boats of Reciprocal Clubs, with proof of current membership & insurance.

Additional days mooring are offered for a donation of \$30.00 per day for up to three additional days. We can normally accommodate boats up to 40' – longer with advance notice. Members of reciprocal clubs are asked, upon arrival to identify themselves at the clubhouse office.

Please phone 905-638-4697 prior to harbor entry for information and slip assignment, if possible call Newport Yacht club on channel 68 prior to harbor entry.

We are pleased to enclose our Reciprocal Card and would like to welcome your members to visit our Club and facilities in 2024. Please email your club's reciprocal card to:
